

Order the exhibition #YouNeedToKnow for your institution

17 goals to eradicate poverty, protect the planet and ensure prosperity for all. These goals were adopted by all Member States of the United Nations and concern us all.

The exhibition #YouNeedToKnow was created by the Fondation pour Genève and the United Nations in Geneva and presents the 17 Sustainable Development Goals (SDG). It explains each SDG, provides examples to undertake in one's day-to-day habits and an insight into actions led by the United Nations Organisation and its partners.
