

c'est Quoi LA PAIX?

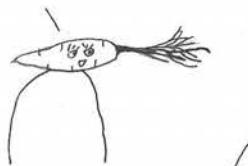

Hé Navel?

Ouais...

Pour toi c'est quoi LA PAIX?

EUHH...

Comment ça...? Parce que pour Moi faudrait plusieurs jours pour t'expliquer ce que c'est.

Ben Alors qu'est ce que tu ferais pour LA PAIX Universelle?

Pas trop Utopiquement. Quand même...

j'pense que de toute façon définir LA PAIX, c'est Utopique... parce que en soi LA PAIX c'est une utopie de l'humain.

Ya aussi un deuxième point très important qui est celui des discriminations en tout genre que ça soit sexiste, homophobe, ethniques, racistes, en fonction de sa classe sociale, de ses goûts, de sa sexualité, j'en passe et des meilleurs. Sans parler des violences causées par ces discriminations...

Mais je vois se que tu veux dire. Pour moi en tout cas l'armée sert vraiment à rien et coûte très cher.

Si on l'abolit on débloquerait beaucoup d'argent pour d'autres choses plus utiles, écodos ou humanitaires

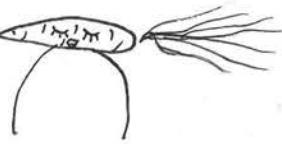

Faut vraiment que il y aie de vraies législations là dessus, parce que des gens souffrent et même certains meurent. Mais bon... Pour toi c'est quoi LA PAIX?

Pour moi c'est l'égalité pour nous les femmes.

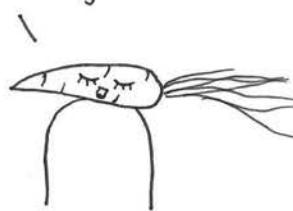

Nous les femmes quand on sort dans la rue on nous traite souvent comme des animaux. Par exemple on se permet de nous toucher alors que personnes n'a de droits sur nous.

Il y a aussi le salaire en reçus moins que vous les hommes juste parce qu'on est des femmes.

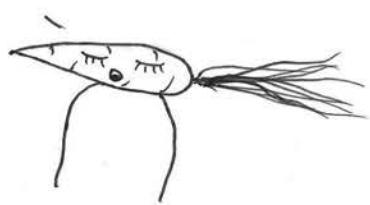

Les femmes se font souvent frappés par leur conjoint. Beaucoup de femmes sont mortes à cause de ça.

Parfois il y a des profs sexistes envers nous les filles, surtout les profs de sport ils mettent toujours les filles dans les équipes les moins fortes.

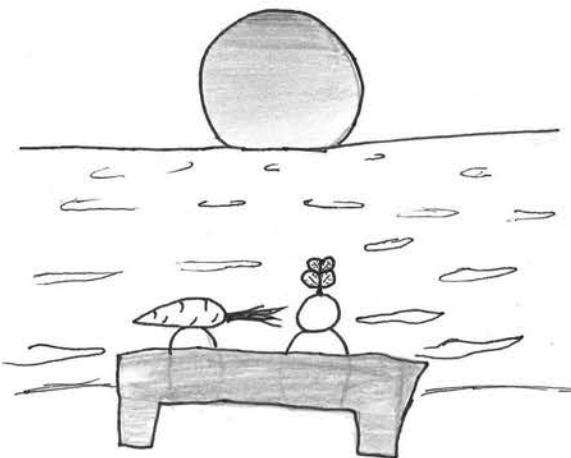

Et aussi nous quand on est jeune souvent on nous dit que le rose c'est pour les filles et le bleu pour les garçons. Alors dès qu'on met des habits de couleurs plus dans le bleu ou de lancé on nous traite de garçons manqués.

Bon j'ai un peu près tout résumé.

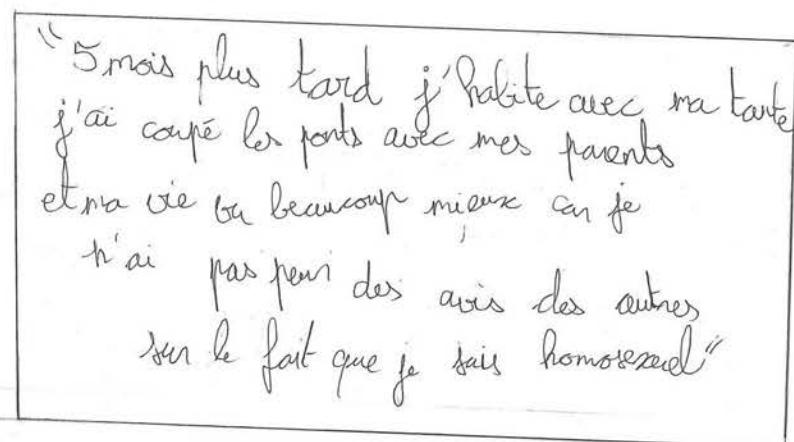

C'était très intéressant.  
Allons voir le couché de soleil.
